Jamie,

My true love of first grade. My first kiss - Remember? Gosh! All of our fun times like at the fair upside down with bugs in our mouths! Or going to the wrong hospital to see Kim & you getting in the baby bed. And going to college this summer - learning about "those psychology things" and eating out everyday. Then, we got you elected President of Spanish! Yea! Remember my Halloween Party - Dressing up like a pimp & hooker & getting pulled over by the cops. Also everytime we went to Zanesville we seem to run into Mr. Morgan. Remember our "date" & 3-D glasses. All of our efforts at the floats & cruising in your Subaru with nine people & a chinese fire drill! And all of our fun times at football games (my Cow Bell). And we took an "exciting" computer class. And how can we forget the Sweet Dreams Prom '82. All the hours we spent decorating! Eating at Adornettos. Racing to the Prom. The Prom. The Party! Our most unforgettable event - Spain! Spitting contests - pajama parties - sleeping on the bus - figuring out what we were eating - changing rooms. And when we used Summer Blond on our hair and it started falling out! You have always been there when I needed someone. I feel very priveleged to have you as a friend. We've shared some of the best times of our life together and I'll never forget them or you. I never want to loose you as a friend even after high school. Good luck with your plans after graduation - you've got the abilities to excel in whatever you do & Remember you have alligator skin! I love you & Care about you.

Sincerely with love,

Lori

Dedication

We would like to dedicate the memories of the 1981-82 school year to our classmate Jerry Jenkins and our yearbook advisor Mr. Cornelius.

Jerry could not be here to see the closing of our high school experiences but he will live in our hearts forever.

We would like to thank Mr. Cornelius for all the help and understanding he has given through the years with the yearbook.

If All the Skies

If all skies were sunshine
Our faces would be fain
To feel once more upon them
The cooling splash of rain
If all the world were music
Our hearts would often long
For one sweet strain of silence
To break the endless song
If life were always merry
Our souls would seek relief
And rest from weary laughter
In the quiet arms of grief.

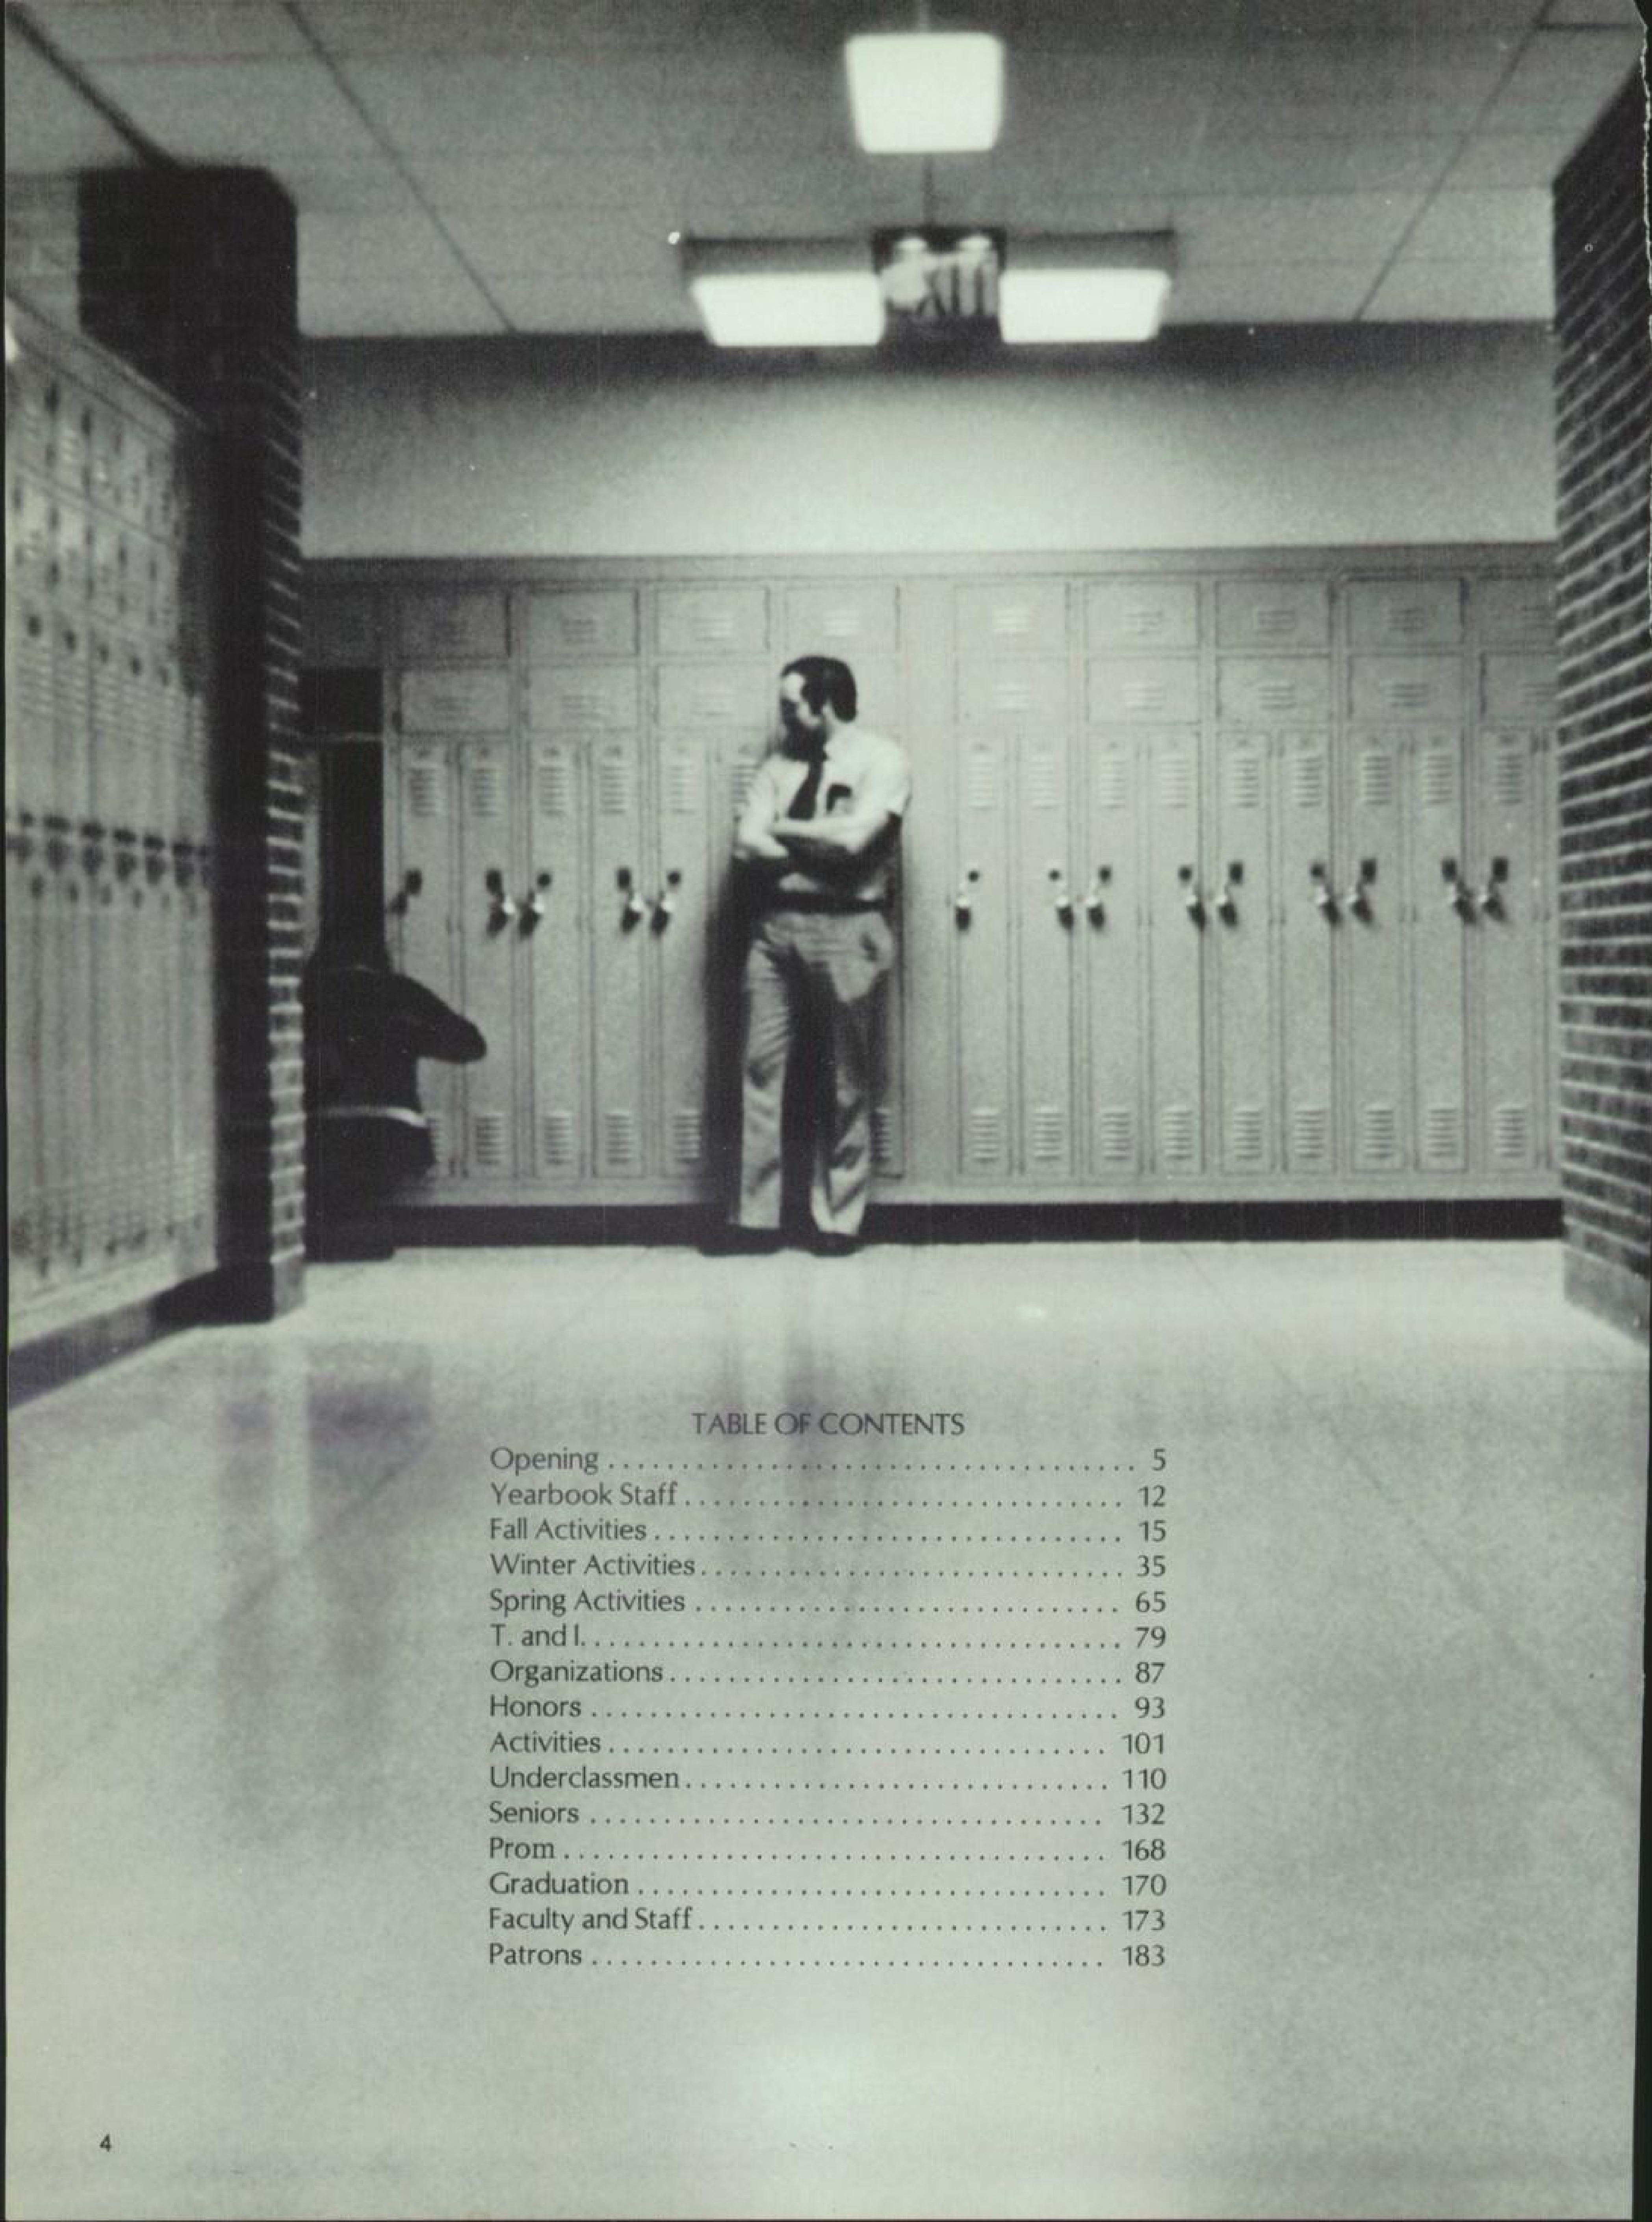

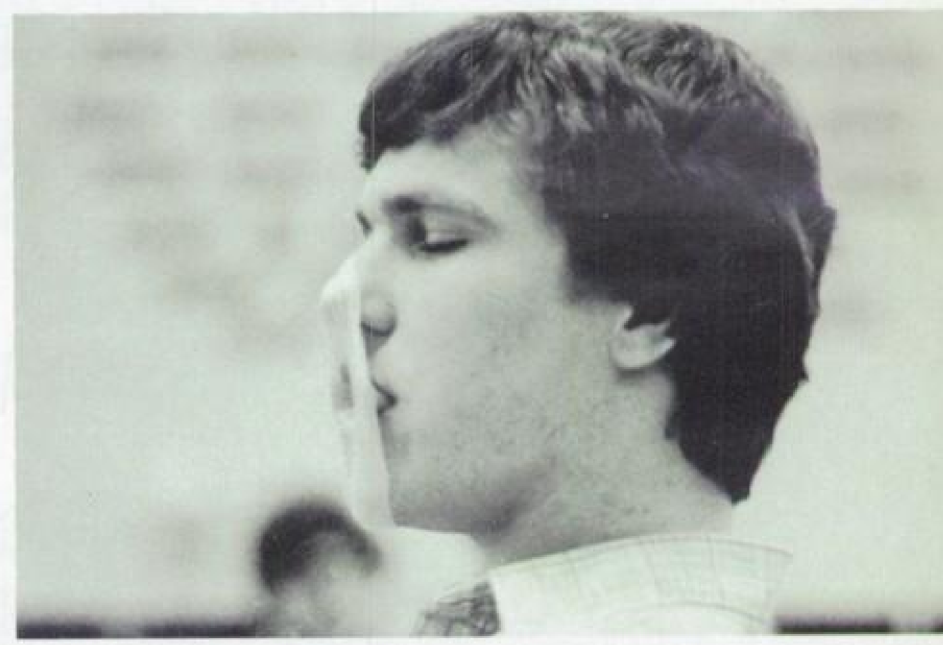

TABLE OF CONTENTS

Life, so they say,
is but a game
and they let it slip away

Love, like the autumn sun
should be dying but
it's only just begun.

Like the twilight

ahead, they don't
see just where
we're going.

Yes, we are Seniors.

The Good, Bad and Ugly.

On the road again.

And all the secrets in the universe,
whisper in our ears,
and all the years will come and go, and
take us up always up.

Have a seat.

Who . . . Me?

We May Never
Pass This Way Again,
But We Have These

Jamie-
You're a real special guy to me & you've got a lot going for yourself. I want to wish you all the success & love in everything you do. Never forget our "your place or mine" in Chemistry. That class was a favorite of you & me, both. Anyway, take care & let's keep in touch.

Jamie:
You're one of my best friends. I don't see a lot of you, but you know I care. I wish you the best of everything in the future. Let us keep in touch after school; you're too valuable a friend to lose! Good luck and God bless.

Remember me when you're rich & famous!

Jamie, a special student and a good friend, I want to wish you nothing but the best. I'll always think of you everytime there is a Spanish Club election or a Student Congress election. You've learned alot and are a lot tuffer as a result of your high school days.
Best of luck in the future. You'll do well!
Keep in touch! - Ralph Morgan

Even though you are too lazy to run, you are pretty good guy. You're kind of stupid, but sometimes we all are.

Jamie;

To a really out of the ordinary guy I met just last year. (In Spain) Don't forget all the crazy times we all had over there. Good luck in the future with whatever and whoever.

James,

You're you of the greatest men I've known (I'm the greatest, Ha Ha) Remember all the times in Spanish class and at the dances. Remember those fun times at Spanish Club meetings while you were "Prez". Also the time we got pulled over. That's the first and I hope the only time I get pulled over. (Running out of room) I know you'll do superb in the future but good-luck anyways. Your friend always. Todd Young.

Hi, How ARE you? Well, I'm ok. But I have to write something for you. You're so sweet and I'm glad to have you for a friend. Well Good Luck in your future. Love ya, Cindy God bless you.

IN KEEPING WITH TRADITION, SINCE TREAD AIN'T HERE, I WILL SIGN YOUR CRACK. THIS IS A GREAT HONOR THAT HAS BEEN BESTOWED UPON ME AND I SHALL DO MY BEST TO MAINTAIN ITS HIGH LEVEL OF ESTEEM.
